Dear SoEULaw followers,

the activities of the third year of Jean Monnet Module “Solidarity in EU Law” are going on continuously!

On Friday 20 May 2022, the **Workshop on Solidarity in Case Law**, organised by Jean Monnet Module “SoEULaw”, took place. Students involved had the opportunity to further develop the skills taught during class. They shared their experiences in searching for cases in the Courts websites and share key instruments to judgments and decisions research. They shared their experiences in interpreting the cases, how they are read and working on those jurisdictional acts. Each student presented and made a report of its achievements in front of the other participants.
